Date
15 May 1993

Dear Sirs

DESIGN AUTHORITY STATUS - AIRCRAFT HOOK CABLE ARRESTER GEAR SYSTEMS

1. This is to confirm your status as Design Authority for the following arrester gear and associated equipments:

- a. Rotary Hydraulic Arrester Gear Mk 1 (RHAG Mk 1).
- b. Purpose Use Arrester Gear Mks 21 and 22 (PUAG Mk 21 and 22).
- c. Expeditionary Rotary Hydraulic Arrester Gear Mks 1 and 2 (ERHAG Mks 1 and 2)
- d. Portable Aircraft Arrester Gear (PAAG).
- e. Retractable Hook Cable Support System (RHCSS).

2. As the sole appointed DA for the foregoing equipment you are authorised to fulfil the functions described in your company Design Manual under the heading "Procedures for Post Design Services (PDS) for Aircraft Arrester Gears" and to prepare and sign Certificates of Design and Approval for Category 1 Ground Support Equipment (PE(CA) Form 10).

Yours faithfully

B. Thompson
pp G THOMPSON (Acad)
