

Dublin, 13th December 2016

Dear Sir or Madam,

Ryanair wishes to submit this letter in compliance with CAME 2.1.2.4, approving Marshall Aerospace and Defence personnel to work under Ryanair EASA Part 145 approval for machining, fabrication of bushes, sleeves, shims, formed sheet metal panels, secondary structural elements, skin panels and heat treatment and plating processes as per scope of approval in Ryanair CAME 1.9.6.

Yours sincerely,

Gerard McGrath
Quality Manager
